**“The two most important days in your life are the day you are born and the day you find out why” Mark Twain**

### **"Have you ever asked yourself, Who am I?"**

**By Ira Franco Your Partner - Your Life Coach**

---

This is the shortest article I've written in the past 5 years and it may be the longest one to read, interpret and define.

Have you ever asked yourself, Who am I?

I'm not asking, What is your name?

I'm not asking, What is your profession?

Take your time and don't rush to find an answer.
